EMPLOYEE ASSISTANCE PROGRAM

**KNOWING WHERE TO
GET ASSISTANCE IS
CRUCIAL IN TODAY'S
WORLD**

EMPLOYEE ASSISTANCE PROGRAM

When difficulties arise, finding effective help for yourself or your family becomes crucial. Knowing where to turn or how to get started may be the first obstacle. Family Service Madison and your Employee Assistance Program can be the solution.

Your **Employee Assistance Program** can be the first step in helping you get the help you need, and this early intervention may prevent issues from worsening. Your EAP benefit provides you with up to **five** short-term counseling sessions. Your EAP can assist with many personal, family, and/or job related stressors and challenges.

Examples of Services our EAP Provides:

- Marital/relationship problems
- Depression/anxiety
- Stress
- Balancing family and work
- Grief/loss
- Substance abuse
- Domestic violence
- Interpersonal relationships at work
- Locating community resources
- Elder care issues
- Workplace conflicts

In addition to the counseling services, your EAP also provides:

- Legal Consultation (Telephonic or In Person consult with attorney
- Financial Consultation (Telephonic)
- Web site resources.
- Webinars

Appointments

When you wish to schedule an in-person appointment, our goal is to be able to offer an appointment within 72 business hours, and evening appointments are available to accommodate your work schedules. Many issues can be resolved in short-term counseling through your EAP benefit.

Telephonic/electronic assistance is also available. You can call or email to consult with our EAP Director. Additionally, the EAP Director can assist you in locating needed community resources.

Cost

Your EAP is a benefit that your employer provides for you and your family. All contacts with the EAP are **free** of charge.

Confidentiality

All contacts with your EAP, whether by telephone, email, or in person, are strictly confidential within the limits specified by law.

Our EAP is a great benefit for you and your family members. We extend this benefit to all of your family members and significant others.

Please contact our EAP Director to for more information or to schedule an appointment
