The hospital is committed to the community to provide quality care and retain a highly skilled workforce. RAMC strives to keep our charges low. Data from the Wisconsin Hospital Association Information Center (<http://www.wipricepoint.org/>) shows RAMC prices are very competitive compared to other hospitals in our region. Over the past five years, our average rate increase has been 1.4% while other hospitals in our area have averaged 3% and the state wide average has been 3%. RAMC is dedicated to providing necessary care for those who need it regardless of ability to pay, with high quality care and personal attention. Reedsburg Area Medical Center continues to focus on quality and patient safety while looking for ways to control costs. We are working on new programs to address the health needs in the community. This includes promotion of healthy lifestyles which is proven to reduce the need for health care services. Reedsburg Area Medical Center appreciates the continued support of our community. Thank you for allowing us to serve you.
