

The Reedsburg Education Association has been generously donating books for each family who delivers at RAMC for the past 25 years! Pictured is Tina Sukup, instructional coach at the Webb Middle School and member of the Reedsburg Education Association. Tina is presenting baby Alice, held by her nurse Lindsay Fish, with her book. For 25 years, National Education Association's Read Across America has raised awareness about the importance, value, and fun of reading. Per NEA, It's never too soon to start reading to your children! If your child learns early to associate reading with pleasure, she is more likely to enjoy reading on her own when she is older. Thank you to the Reedsburg Education Association!!!
